ALLIANCE FOR A HEALTHY KANSAS

TELL GOVERNOR BROWNBACK AND YOUR KANSAS HOUSE AND SENATE CANDIDATES THAT FORFEITING OVER $1.2 BILLION OF YOUR TAX DOLLARS BY NOT EXPANDING KANCARE DOESN'T WORK FOR YOU.

Expanding KanCare is a fiscally responsible Kansas-based solution that will bring hundreds of millions of your federal tax dollars back home to Kansas – helping create jobs, boost our economy, protect rural hospitals, and improve the health of Kansans.

More than 150,000 Kansans currently fall into a health coverage gap. They earn too much to qualify for KanCare but too little to be eligible to get financial help to buy private insurance. These are hard working men and women here in Kansas who are stuck with few options for affordable health coverage.

I support expanding KanCare because it:

- Creates jobs and economic impact by bringing hundreds of millions of dollars into the state
- Protects hospitals and rural communities
- Improves health and financial security for 150,000 Kansans and increases access to preventive care.
